

MURTUZOV HÜSEYN

WEB DEVELOPER

ABOUT ME

Hello, I'm Hüseyin Murtuzov, born in Baku, Azerbaijan in 2005. I completed my schooling in 2022 and subsequently enrolled in the Computer Engineering Faculty at Azerbaijan Technical University. Currently in my second year, I am passionate about exploring the vast realm of technology.

For over a year, I have been actively engaged in self-study, delving into various aspects of web programming. Proficient in HTML, CSS, SCSS, JavaScript, React, Redux, C#, and .NET, I possess the skills to develop dynamic web applications. My journey in the world of technology has been both exciting and rewarding, and I am eager to further expand my knowledge and contribute to innovative projects.

As a dedicated and driven individual, I embrace challenges and continuously seek opportunities to enhance my skills. I am enthusiastic about the intersection of creativity and technology, and I look forward to leveraging my expertise to contribute meaningfully to the ever-evolving field of computer engineering.
